Dear Councillor

Apologies for the delay in giving you an update about Crook Moss. I was on leave on Monday and out of the office yesterday. However, in the interim, Eddie Jordan has yesterday served a Temporary Stop Notice requiring any further development at the "paddock" site to cease and also a Notice under s.272 to obtain the information necessary to serve a competent Enforcement Notice to remove the unauthorised development.

I have asked Eddie to produce a more detailed briefing note which I will forward to you.

Regards

Brian
